ANNOUNCEMENT – TMC TRIBAL MINING CORPORATION RECEIVES MPSA RENEWAL

Rizal Resources and TMC Tribal Mining Corporation (TMC) are pleased to announce that after several years of dedicated work by our team in T'Boli, the Philippines Department of Environment and Natural Resources (DENR) has approved the renewal of the T'Boli Mineral Production Sharing Agreement (MPSA) for the T'Boli Gold-Silver project for a further 25 years. This is renewal of the mining licence first obtained in 1997, following its first 25 years period which expired in 2022. Part of this renewal process was obtaining approval of the National Commission on Indigenous Peoples (NCIP) in the form of the Free Prior Informed Consent (FPIC) from the T'Boli people which was announced in February 2026 after 3 years of sustained effort by the local people and our team. We thank them again for placing their trust in Rizal and TMC.

Now that the MPSA has been renewed, TMC Tribal Mining Corporation (40% owned by Rizal Resources) can recommence planning and reconstruction work at the T'Boli mine. The mine has been closed since late 2022, after COVID-19 and the first term licence expiry, when the previous funding partner withdrew support. The mine will be re-commissioned with all necessary infrastructure to be reinstalled to ensure safe operations, and a new 200 tpd process plant built. It is expected that these activities will take at least 6 months of planning and preparation before any mining can be resumed.

Our operating partner 88KMDC, is ready to work with TMC to plan and recommence site activities as soon as possible, starting with mine plan approvals, site rehabilitation, process plant design and development. An updated ore resource report will also be tabled as soon as it can be finalised, based on detailed work completed over recent years.

Further updates will be provided as Rizal and TMC move forward towards renewed production from T'Boli Gold-Silver Project in South Cotabato. We thank all our shareholders and the T'Boli people for their continued support and encouragement.
